INSTITUTIONAL WELCOME

ENRIC CARBONELL

CEO, Valencia Basket, Roig Arena and Fundación Trinidad Alfonso

We are proud to present this second edition of the Somnis Cup Gana Energía at L'Alqueria del Basket. This event represents the essence of our club: combining sport, training, and values in a unique environment designed for the growth of young children. We want every player to have an unforgettable experience, combining competition with enjoying together and having fun.

THE TOURNAMENT

The tournament will be held on January 2, 3 and 4, 2027.

All games will take place at L'Alqueria del Basket, a complex with nine indoor courts and four outdoor courts, all in the same facility. This infrastructure guarantees that, regardless of the weather, the tournament will take place in perfect conditions and with the highest organizational quality.

In addition to the courts, L'Alqueria has modern locker rooms, a cafeteria, rest areas, and spaces for families and companions, making it the ideal venue for an event of this magnitude. It will also feature a Fan Zone, a space for players to enjoy themselves and have fun off the court.

GOALS

- To bring together some of the best teams at national and international level.
- To promote coexistence and friendship between players from different places.
- To promote the values of effort, respect, and teamwork.

COMPETITION

The tournament is designed so that all teams can enjoy the sporting experience to the fullest:

- All teams will play a minimum of 3 games.
- All games will be officiated by referees and table officials from the Valencia Basket Senior League.
- Through the Swish App, players and families will be able to follow the tournament schedules and calendars in real time. The app will not display player statistics.

FAN ZONE

The tournament is much more than just basketball. We want players and teams to have a complete experience off the court as well.

The Fan Zone will be a central meeting and entertainment space, designed to encourage team bonding, shared enjoyment, and leisure time during the tournament.

An environment designed for relaxing, participating in fun activities, spending time with teammates and rivals, and continuing to create unforgettable memories around basketball.

A space where fun, friendship, and the spirit of the tournament are added to the competition.

ROIG ARENA EXPERIENCE

One of the most special moments of the tournament will be the connection with the environment and identity of Valencia Basket.

Participants will be able to connect with the day-to-day life of the club and see firsthand the facility where top-level basketball is played, discovering the history, values, and passion that surround the Taronja project.

Depending on the sports schedule and the availability of the facilities, the tournament may be complemented by additional experiences related to Valencia Basket and its environment, reinforcing the unique character of the event.

SAFETY
AND HEALTH

The safety of the players is our top priority:

- Throughout the tournament there will be an ambulance.
- All participants will be covered by sports insurance.
- The tournament has protocols in place for emergencies or incidents of any kind, so that coaches and families can rest assured that everything is under control.

FOOD
AND WELL-BEING

We know how important it is to take care of nutrition during a competition. Therefore, players will have at their disposal:

- Lunch at L'Alqueria, with menus adapted to young athletes, balanced and healthy.
- Filtered water fountains for refilling bottles, ensuring proper hydration.

Families can also enjoy the gastronomic offerings of the cafeteria and the restaurant areas near the venue.
